Limited Stock

This item has very limited stock (in fact it's over stock from the initial order) and is not

expected to be back in stock soon. However one of the reasons it's not in stock is because we didn't get enough initial orders to put in an order with the supplier.

We are encouraging members to put items on their wish list if they are interested in buy some of these. What we'll do is watch to see if the wish list orders get big enough to potentially put in a supplier order and bring them in the for the membership.

You'll be contacted to confirm your wishlist order before we proceed, at which time you can turn it into an order.
